IICF Volunteerism: Year-round and annual Month of Giving

The Insurance Industry Charitable Foundation (IICF) invites you to *be a part of something* greater and volunteer with our community nonprofit partners year-round!

IICF continues to host the longest ongoing volunteer initiative in the insurance industry, which this year we are expanding to a month-long celebration of industry volunteerism as the IICF Month of Giving. We are also excited to offer and coordinate volunteer projects throughout the entire year to provide meaningful and consistent impact in our communities. Through our IICF Volunteer website we are able to more effectively track and report on industry volunteerism.

Details below will help walk you through the process of registration, selecting and signing up for a project, recording volunteer hours and more.

Steps for Volunteers:

1. Select a Team Leader if volunteering as a group (or join as an Individual Volunteer)*
2. Register your Team (if new) or Login
3. Search and Sign-up for projects
4. Complete your service project and report final hours
5. Share photos and details with your division Executive Director or IICF home office at aziering@iicf.com

**Note: You can register on IICF's Volunteer site by serving as a 'Team Leader' representing a group from your company or you can join as an Individual Volunteer.*

To begin, please visit the IICF volunteer site:
volunteer.iicf.org

1. Select A Team Leader

Volunteer teams can include 1-100 members. For teams of one, you are your own Volunteer Team Leader and will sign up as an individual when prompted on a particular project. For teams of two or more, select one person as the Team Leader to represent your group of volunteers (for projects throughout the year and Month of Giving).

The Volunteer Team Leader will be responsible for:

- 1) Registering your team
- 2) Signing up your team for a volunteer service project(s)
- 3) Liaising with the nonprofit organization offering the volunteer service project.

The Team Leader will be the point person for your team as projects are selected.

2. Register Your Volunteer Team

If you are a returning Volunteer Leader, you can select “login” in the top right-hand corner. If you forgot your login or password, select “forgot password” and follow the prompts to obtain a new one.

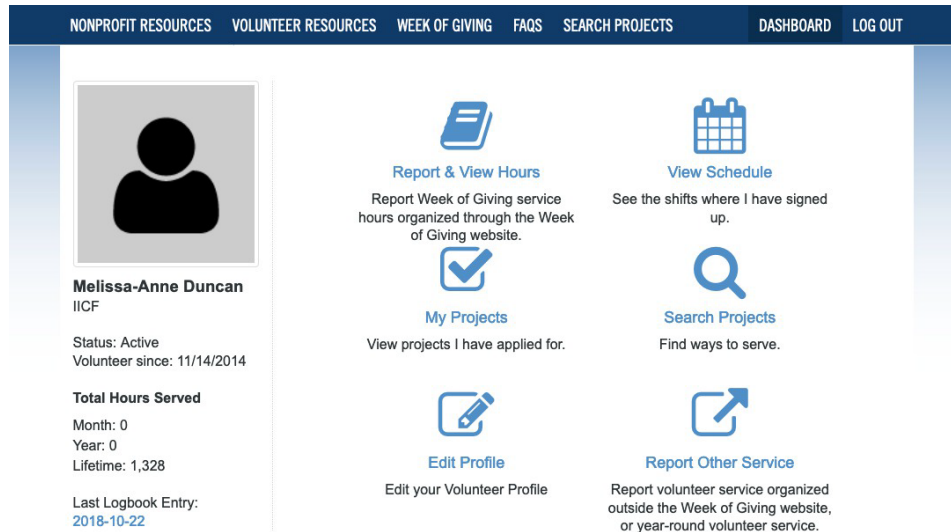

If you are a new volunteer or team leader, please select “Registration” to open the Registration page.

The image shows the "IICF Volunteer Registration" form. The form is titled "IICF Volunteer Registration" and is divided into two main sections: "Volunteer / Volunteer Team Information" and "Contact Information". The "Volunteer / Volunteer Team Information" section includes a required field for "Company Name", and two required fields for "Team Leader First Name" and "Team Leader Last Name", along with a "Title" field. The "Contact Information" section includes a required field for "Street Address 1". The form is set against a light blue background with a dark blue navigation bar at the top containing links for "NONPROFITS", "VOLUNTEERS", "VOLUNTEER RESOURCES", "FAQS", "EARLY LITERACY INITIATIVE", and "SEARCH PROJECTS".

3. Search and Sign-up for Projects

Once you are logged in or registered, familiarize yourself with the volunteer Dashboard.

Click “Search Projects” to be taken to the home page, where you can search for projects by division, distance from zip code, keyword, area of interest or date range:

How would you like to search?

Click to add or remove options then click Search .

See the shifts where I have signed up.

- *Note: You can also report any volunteer hours completed by your company on its own (not through an IICF project) on the IICF Volunteer site. We encourage you to enter/report any and all volunteer hours completed throughout the year and we hope our volunteer site is a helpful resource to track volunteer projects completed through IICF and on your own.*
