Be a Part of Something Greater

Since 1998 IICF has hosted its annual **Week of Giving**, the largest ongoing volunteer initiative in the insurance industry. Through eight days of volunteer projects and service, *both virtual and in-person*, the IICF Week of Giving is a celebration of community volunteerism throughout the year by the insurance industry.

IICF offers year-round volunteering for sustained community involvement and impact. By partnering with nonprofit and charitable organizations locally, IICF volunteers are able to give back to the communities where they live and work in consistent and meaningful ways.

Join with thousands of your insurance industry colleagues, competitors and clients – as we come together and give back to those in need.
